maratek
SOLUTIONS IN RECYCLING

# Waste Management

## Maratek's Waste Disposal and Recycling Services

Maratek is a solvent recycling company that offers reliable, safe and cost effective waste management solutions, including:

- Chemical waste management pick-up and disposal
- Off-site solvent recycling
- MaraSolve solvent recycling program

## The Maratek Advantage

- Licensed by the Ministry of the Environment in Ontario as a hazardous waste carrier, waste receiver, and recycling site.
- Cost effective waste management solutions
- Environmentally friendly programs – guaranteed compliance
- Service contracts
- Emergency response
- MaraSolve solvent recycling service program

## Your "One-Stop Shop"

Maratek's unique "one-stop shop" approach allows all liquid waste, and other recyclable materials to be hauled for recycling or safe disposal.
Maratek understands that cost-effective environmental solutions embrace comprehensive environmental management practices such as EcoLogo, FSC certification, and ISO 14001. Maratek is the ideal partner in the implementation of your environmental management system.
